April. 24th, 2017

Subject: Accredited Training for Certifications for: **PT. SOLUSI BISNIS DAN KONSULTASI INDONESIA**

Dear Dr. Fauzi Hasan,

We write to advise that the International Board of Standards IBS™ ("the Board") of the AAPM American Academy of Project Management® and GAFM® Global Academy of Finance and Management® ("GAFM"), a professional standards organization, accreditation council, and certifying body in the United States of America (Charter ID: 36076228K) are pleased to inform your offices that **PT. SOLUSI BISNIS DAN KONSULTASI INDONESIA** and related courses and educational programs are sanctioned as an official IBS and GAFM® Academic certification training organization under the terms and conditions of the duly executed academic articulation agreement. The GAFM is also the parent distributor of the AAFM and AAPM qualifications. This letter is for AAPM programs specifically which can be found at www.GAFM.com and www.CertifiedProjectManager.org where **Dr Fauzi Hasan is the Supervisor of our local certification courses.**

It is therefore with great pleasure that the IBS and GAFM® Board and Accreditation Council confirms the alliance with **PT. SOLUSI BISNIS DAN KONSULTASI INDONESIA** as a qualified nominator for Certifications of professionals in the region. Therefore, **PT. SOLUSI BISNIS DAN KONSULTASI INDONESIA** is hereby accredited as a certification education provider for IBS to offer various certifications including our MPM, MQM, CPE, CIPM, CHRA or our other related Designations. Please note that **PT. SOLUSI BISNIS DAN KONSULTASI INDONESIA** has the authority to promote and provide all AAPM/GAFM® executive certification training programs. There should be a disclaimer that these are designations/certification and not engineering licenses to the recipients. Typical courses would have between 30-40 contact hours (3-4 days) which include assessment. Courses also count or 15 hours of continuing education credit which is required for ongoing membership. Accreditation - Our Certification Standards Board is TUV Accredited and ISO 9001 Chartered for Quality and ISO 29990 Certified for Educational Standards and are also recognized directly by the Arab Academy which affords the GAFM/IBS special recognition in the 22 signatory Arab States. Certification fees are paid to the IBS, LLC under the standard terms www.certifiedprojectmanager.org/corporate.html and US/EU operation and then the certifications are conferred and shipped to your offices for distribution. Agreement is good for one year.

Graduating students may apply for certifications that are then exclusively awarded from the IBS GAFM® Global Academy United States offices and sent to the local offices for distribution under the terms. This authority is specifically for your country and surrounding countries and the Board hereby congratulates **PT. SOLUSI BISNIS DAN KONSULTASI INDONESIA**, and we look forward to prospering together.

Yours sincerely,

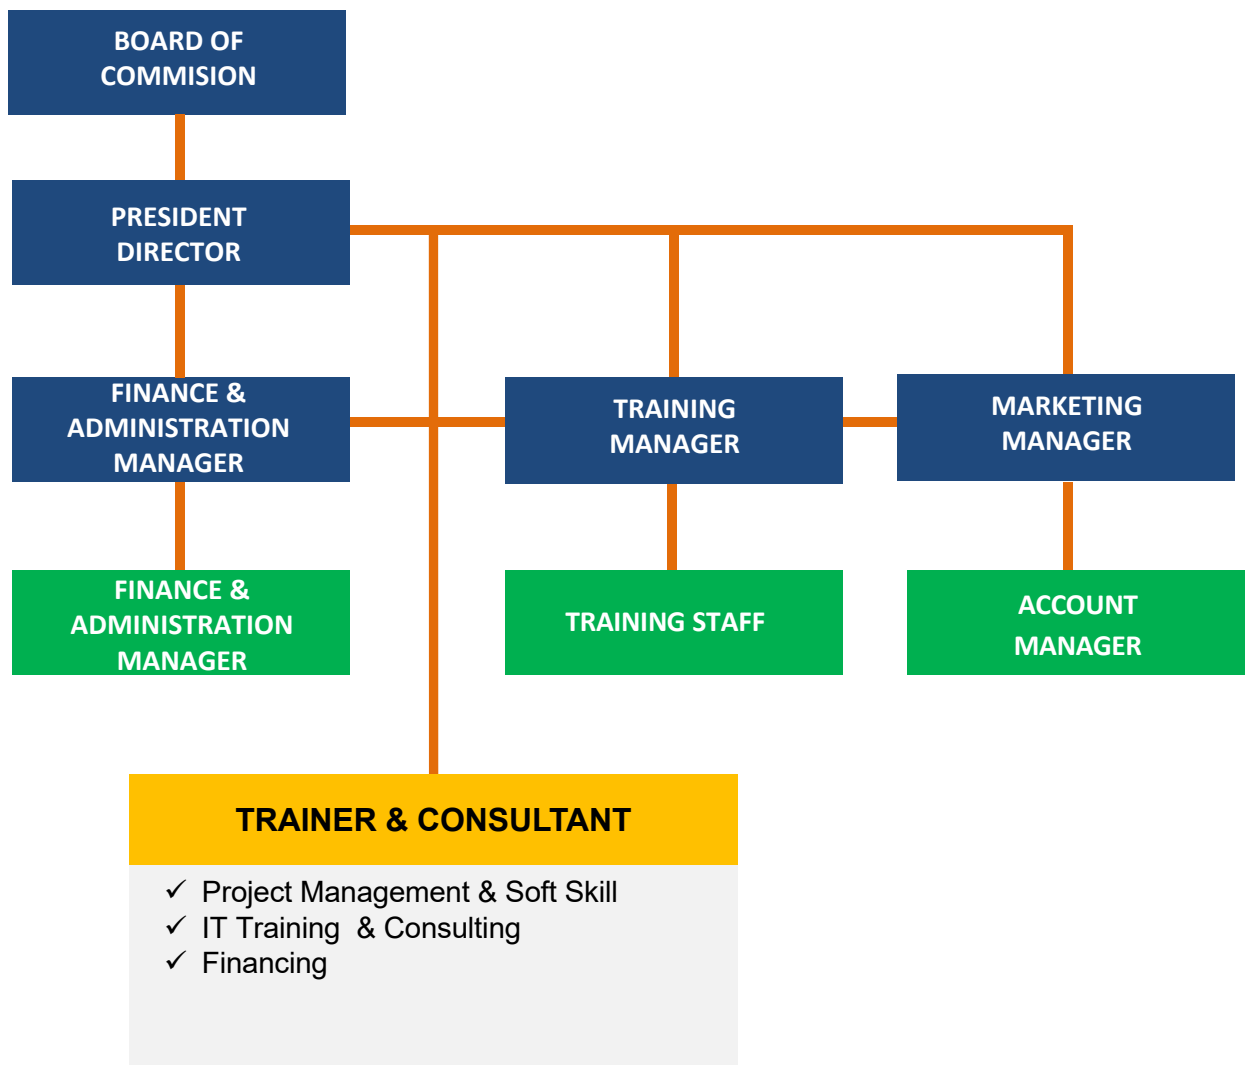

Prof. Dr. George Mentz, JD, MBA, MMC®, AMC®
Founder, CEO, and Chairman GAFM and International Board of Standards
GAFM Global Academy of Finance and Management® (USA, Charter ID: 36076228K)
Cc: Board of Standards and Legal Advisory

PROJECT MANAGEMENT EXPOSURES

Having vast experience in the project management for more than 25 years with focus on technology implementation, Dr. Fauzi Hasan has shown his full dedication and unremitting interest in the project management field as shown by his extensive involvement in many various major practical projects execution in diversified industries.

The industrial exposures and coverage resides within the mid level-intensive-technology based enterprises till high level-intensive-technology based industries with extensive project management spectrum of requirements. The industries at where Dr. Fauzi Hasan has got practical hands on and delivered direct contributions to the completion and success of the projects, and encompasses areas of industries such as: banking, Information Technology and Telecommunications, manufacturing, Oil and Gas industries; and other service industries.

With his multi-facet business process intact, has assisted Dr. Fauzi Hasan in running typical resource stringent projects with focus on the inherent triple constraints: time, cost, and scope to achieve targeted deliverables by accomplishing earned value management methodology implementation. During the project implementation also heavily focus on communications aspect, since he is deeply conscious that the success of any project shall be indebted to an appropriate project communication management.

Dr.Fauzi Hasan is a dedicated professional in the project management field; he is affluent with practical experiences and effective frameworks which is reflected in his conceptual and practical methodology in delivering project management training at training centers and colleges. He has been appointed as senior project management for Ec-Council International in Indonesia and the region and presently he is appointed by the **American Academy of Project Management (AAPM)**-www.certifiedprojectmanager.us as the President of Indonesia Chapter situated in Jakarta, while in parallel he is the senior lecturer for project management at the post graduate program at the university Indonesia in Jakarta. He spent his time for some major projects with STC (Saudi Telecommunication Company) in Riyadh, Orascom in Egypt, and some others in Asia Pacific including major state owned companies and private banks in Indonesia (Pertamina, Danamon Bank, etc.,)

In pursuing his career Dr.Fauzi Hasan has also delivered services in consultancy as related to project management, IT security and IT governance, business process modeling, IT audit, supply chain management, and disaster recovery management.

He has strong exposure and with hands on knowledge of business process re-engineering/ modeling and information technology implementation, and specializes in Enterprise Resource Planning
